Dear Centre County Board of Commissioners:

We are pleased to submit the Proposed 2020 County Budget for your review and consideration. This proposal represents a comprehensive analysis of previous year and projected revenues and expenditures. Based on this review, the proposed budget allocates revenues to carry out the County's mission of providing the highest quality of services, programs, and supports to the citizens of Centre County.

The Proposed 2020 Budget document was developed through a several month long intensive and collaborative review process involving all County departments and units. For the tenth consecutive year, the County's general millage rate will remain the same. The 2020 proposal represents a 2.0% increase in revenues and a 2.8% increase in expenditures to fund County operations as itemized in the General, Special Revenue, and Other Funds categories. The following 'Executive Summary' summarizes the 2020 Proposed Budget Highlights.

Following a twenty-day public review period including publication of this proposal on the County's website, adoption of the 2020 Budget will take place at the Thursday, December 17, 2019 regularly scheduled Board of Commissioners' meeting.

Respectfully submitted:

Margaret N. Gray
County Administrator
