The draft plan will be posted on the county website by close of business on Friday June 19, 2020. This draft plan will be available for review and the public input we are seeking.

The purpose of the public hearing is to discuss services, gather input on needs and priorities within the human service system. Service recipients, family members, and community members are welcome to attend. Service providers are to be prepared to discuss the service needs and issues they are seeing in our human services community. The public hearing is to be a forum to hear ideas, show support, and collaboratively look towards the future of the services in our community.

The Human Services Block Grant provides funding for the Centre County Office of Adult Services and the Office of Mental Health/Intellectual Disability, Early Intervention, and Drug & Alcohol.

If you are interested in submitting written testimony, please e-mail nwcorman@centrecountypa.gov. Written comments will be accepted until July 2, 2020. For more information, contact Natalie Corman at 814-355-6782 or nwcorman@centrecountypa.gov.
