Pennsylvania Department of Transportation

The preparation of this document was funded in part through grants from the Federal Highway Administration and Federal Transit Administration of the U.S. Department of Transportation, and grants from the Pennsylvania Department of Transportation (PennDOT). The authors are solely responsible for the contents, which do not necessarily reflect the official views or policies of the U.S. Department of Transportation or PennDOT.

A Note on COVID-19

Development of this LRTP was interrupted by the novel coronavirus COVID-19. Most of the existing conditions data predates the virus; it is not known what the full impacts of the virus and the associated shutdowns will be. CCMPO anticipates future updates of the LRTP will address the impact of COVID-19.

Table of Contents

1. Introduction	1
Transportation Planning in Centre County	1
Who is the Centre County MPO?	1
CCMPO Responsibilities and the Planning Process	4
Long-Range Transportation Plan 2050 Approach	7
Key Tenets of LRTP 2050.....	8
Looking Ahead	9
2. Goals and Objectives	10
3. Existing Conditions	12
Transportation System and Operations Profile	12
Demographics and Travel Demand.....	43
User Perspectives	68
4. System Performance	70
PM-1: Safety Measures	70
PM-2: System Condition Measures	75
PM-3: System Performance Measures	78
Transit Performance Measures	80
5. Emerging Service & Technology Enhancements	82
Transportation Network Companies.....	82
Park-and-Ride	86
Electric Vehicles	89
Electric Bicycles	94
Connected and Automated Vehicles	95
Bus Rapid Transit.....	100
First-Mile/Last-Mile Mobility	104
6. Strategic Directions	111
Highway.....	111
Transit.....	114
Bicycle and Pedestrian	118
Freight Movement	122
Aviation.....	124
Resiliency	126

7. Funding Projections132

8. Implementation136

 Project Solicitation, Selection, and Prioritization Process 136

 Project Lists 140

 LRTP 2050 Action Plan..... 177

APPENDICES

Appendix A: CCMPO Technical and Coordinating Committee Members

Appendix B: Environmental Justice Analysis

Appendix C: Technical Memorandum: Travel Demand and Level of Service Analyses for 2020 No Improvement (No-Build) and 2050 Improvement Scenarios

Appendix D: Stakeholder Outreach Summary

Appendix E: State Twelve-Year Transportation Program Public Outreach Summary

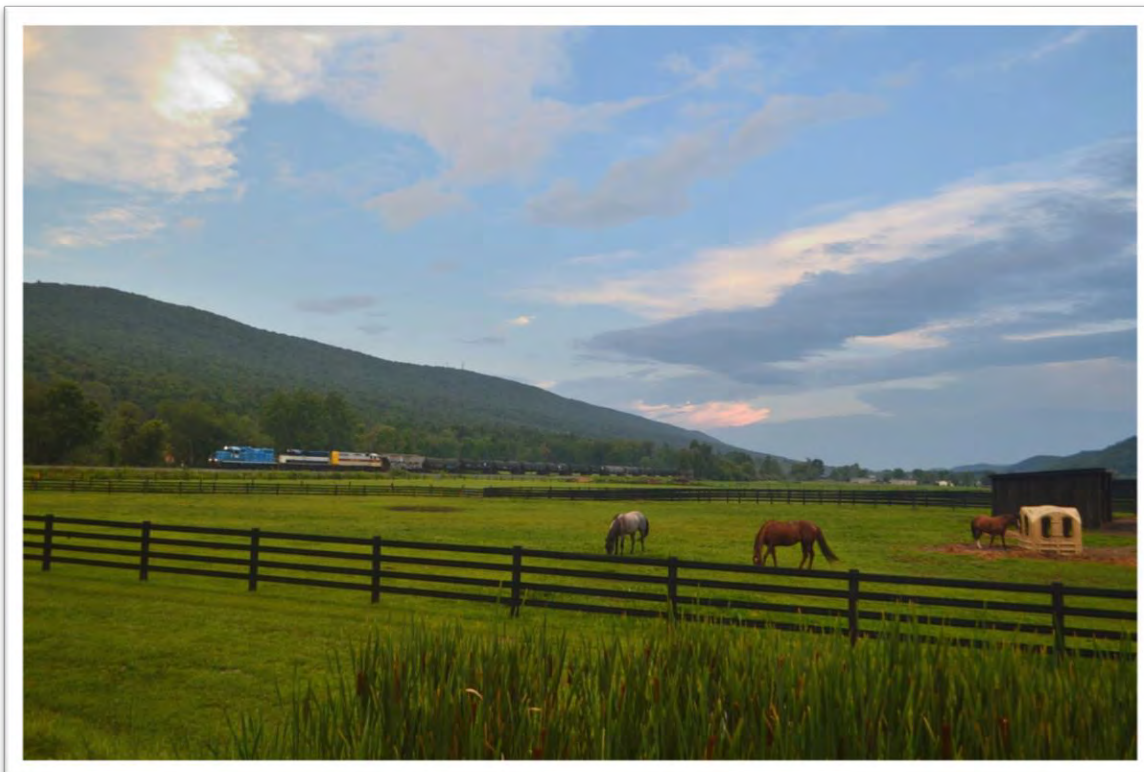

Appendix F: Gap Analysis Technical Memorandum

Appendix G: Air Quality Conformity Determination

Appendix H: Environmental Evaluation

Appendix I: Coordinated Public Transit–Human Services Transportation Plan

Appendix J: Public Comment on Draft Plan
